HOW TO USE THIS GUIDE

This document defines visual and verbal standards for all WorkforceAP marketing materials — website, social media, printed collateral, presentations, and partner communications. When in doubt: use the color tokens, not hardcoded values. Use the typeface, not alternatives. Use the terminology list, not synonyms.

01 — Brand Identity

Who We Are

The mission, the model, and how we position against the market.

Mission Statement

Connecting underserved adults, the organizations that serve them, and the employers that need them — in one verified closed loop.

WorkforceAP is the operating system for workforce development. Free to members. Employer-aligned. Outcome-accountable.

Brand Personality

Trait	Meaning
Grounded	We show outcomes, not promises.
Direct	Plain language. No corporate jargon.
Warm	This is someone's livelihood — handle with care.
Ambitious	We're building infrastructure, not a charity.
Inclusive	No age gate. No degree. No exclusion.

What Makes Us Different

We Are	We're Not
Free to all qualifying members	Employer-sponsored only
Adults 18+ at any career stage	Recent grads only
Verified placement + tracking	Certificate mill

Secondary text, labels, captions

✓ Use Crimson as the sole CTA color

One primary action per view. Always Crimson (#AD2C4D). Consistent. Trustworthy.

✗ Use Gold on light backgrounds

Gold on white = 1.7:1 contrast ratio. Fails WCAG. Use Gold on dark surfaces only.

✓ Use CSS tokens in code

var(--color-accent) not #AD2C4D

var(--color-gold) not #FFBB00

✗ Hardcode hex values in new code

Hardcoded colors break dark mode. Always use the CSS token system.

Inter is our single typeface. Hierarchy through weight and size — never font switching.

06
06 — Cards & Surfaces
Containers & Elevation
Surfaces create hierarchy. Elevation through color, not drop shadows.

Card Variants

Default Card

White background, light border. For content sections on light pages.

Elevated Card

Surface-low background. Subtle shadow. For featured content.

Highlighted Card

Gold border on white. For featured programs or awards.

Accent Card

For primary CTAs, featured content blocks. One per section max.

Dark Card

07

07 — Logo Usage

Logo Standards

Consistent. Never stretched. Never recolored. Always with clear space.

On white — full color

Logo Rules

Rule	Standard
Clear Space	Min 1× height of "W" on all sides
Min Size	120px wide (digital) / 1 inch (print)
On Light	Full color (crimson wordmark)
On Dark	White version
On Accent	White version only

Never Do This

× Violation	Why It Matters
Stretch or skew	Destroys brand trust and recognition
Recolor or add gradient	Dilutes brand identity
Add drop shadow	Logo has no shadow in its design system
Place on busy photos	Must have plain or overlay background

Use below 120px Letterforms become illegible

WorkforceAP Brand Style Guide v2.0 — Confidential 9

09

09 — Voice & Copy

How WorkforceAP Sounds

Plain. Direct. Human. Specific. Never corporate speak.

✓ Direct, not cold

"Apply now. We respond within 3–5 business days."

✗ Corporate and hollow

"We'd love to connect on your exciting journey forward!"

✓ Specific and real

"CompTIA A+ certified. IBM AI Professional. \$62K–\$88K starting range."

✗ Vague and unverifiable

"Industry-recognized certifications in high-demand fields."

✓ Inclusive language

"For adults at any stage of their career."

✗ Exclusive language

"For recent grads and young professionals entering the workforce."

Terminology Standards

✓ Use This	✗ Not This	Reason
Member	Student, User, Candidate	We serve adults, not students. "Member" conveys community.
Counselor	Advisor, Coach, Mentor	Counselors have specific roles — keep it precise.
Partner	Affiliate, Vendor, Client	Referring organizations are valued collaborators.
Free / \$0	No-cost, Complimentary, Free*	Say it plainly. Asterisks create distrust.
WorkforceAP	WAP, Workforce AP, workforce ap	One word, camel case. Always.
CompTIA A+	"a certification", "A+ cert"	Always use the full official certification name.

11

11 — Quick Reference

All Rules. One Page.

Clip this page and pin it. These are the non-negotiables.

Primary CTA Color

Crimson #AD2C4D — always. One per screen.

Gold Usage

Dark backgrounds only. Never on white or light gray (fails WCAG).

Hero Text

On dark overlays: use #fff directly, not var(--color-white).

Font

Inter only. Body 16px/1.6. Headings Bold 700. No other faces.

Spacing

8px grid. Use CSS tokens — no arbitrary values in code.

Contrast

4.5:1 body, 3:1 large text (18px+), 3:1 UI components (WCAG AA).

Border Radius

Buttons: 8px. Cards: 12px. Modals: 16px. Never uniform everywhere.

Mobile

<640px: single column, 44px touch targets, bottom nav.

Logo Clear Space

1× "W" height on all sides. Never below 120px wide.

CTA Copy

Specific + active voice. "Apply for Free" > "Learn More".

Dark Mode Code

Use var() tokens — never hardcode hex values in components.

Terminology

"Member" not "student." "WorkforceAP" not "WAP." "Free" not "complimentary."
